### INTENSIVE CARE MANAGER

**Division:** Health, Housing & Nutrition  
**Department:** Health Integrated Services (H.I.S.)  
**Supervisor:** Associate Director for Health Integrated Services

#### Job Mission:

Facilitate HIV viral suppression, engagement in medical and behavioral health care, and support services utilization for poly-diagnosed clients with active mental health or substance abuse issues.

#### Performance Standards:

1. Responsible for medical case management including patient assessment, service plan development, referrals and linkages, periodic reassessment of psychosocial and socioeconomic barriers and needs, treatment adherence counseling, and patient education.
2. Deliver mental health services when appropriate including evaluation, diagnosis, treatment plan development, and counseling.
3. Monitor viral load suppression and measure retention in HIV medical care.
4. Works closely with other Matrix Care Coordination Network team members and medical and behavioral health care providers to implement the delivery of highly coordinated services.
5. To perform other duties as assigned by supervisor.

#### Qualifications:

1. MSW or Master's Degree in related health/human service field preferred; at minimum, Bachelor's Degree in related health/human service field accompanied by a minimum of two (2) years experience in the community mental health or substance abuse field required.
2. Current licensure/certification to practice in the State of Michigan preferred.
3. Certified alcohol and drug counselor or certified prevention specialist desired.
4. Must successfully complete case management certification course within first year of employment.
5. A valid Michigan Driver's License; active insurance policy, and a reliable automobile to be used for work related travel.

#### Hours & Wage
