HMIS Administrator

Division: Health, Housing, and Nutrition Services
Department: Housing
Supervisor: Associate Director for Housing
FLSA Status: Non-Exempt – Non Union

Qualifications:

1. Bachelor's degree in human services, data science or in a related field required.
2. Two (2) years of database management administration, including data entry, and using various applications and database systems required. HMIS experience preferred.
3. Two (2) years using Microsoft Office 365 and/or standard software applications typically used in an office environment preferred.
4. One year of experience giving written and oral presentations preferred.
5. Valid Michigan Driver's License and reliable transportation.

Job Mission:

Oversee, administer and maintain the implementation of the Homeless Management Information System (HMIS) to analyze data to help drive community decisions related to ending homelessness and housing insecurity in Livingston County.

Performance Standards:

1. Manage all aspects of the Homeless Management Information System (HMIS), ensuring accuracy and integrity of database, maintaining HMIS policies as required by funders, and oversight of data collection and continuous quality improvement of end users within the HMIS system.
2. Participate in local, state, and national meetings or conferences relating to data management requirements and policy development for both HMIS and agency-wide database systems.
3. Provide training and technical support to partner agencies and staff participating in the HMIS implementation.
4. Create and analyze HMIS system reports as needed to ensure data quality and system performance outcomes are met to measure progress and report to funders on Continuum of Care outcomes.
5. Carry out all other duties as assigned by supervisor.
